Estimates of the Ind. Schools & of the L F Govt for 1908-09 have been passed and no provision has been made for this item Therefore if the proposal is to be sanctioned a special grant will have to be made from L. F Govt

What is the estimated closing balance under "Local Funds"? Has not the Comptroller objected to any additional grants being made from this source?

From

Inspector General of Education in Mysore

To

b s Balasundaram Iyer Esqure
Offg secretary to the Government of mysore
General & Revenue Departments

Sir

I have the honour to inform you that great difficulty is felt in finding accommodation for the Channapatna Industrial school which has been doing good work. A dilapidated and unhealthy house belonging to Municipal Commissioner Rangeegar has been engaged for the school but in a large portion of the same house the landlord stores timber and building materials and the premises are kept in a filthy condition and are infested with snakes. To induce him to give better accommodation increased house-rent of Rs 15 has been provided in the budget, but he absolutely refuses to improve the accommodation, and hearing that increased rent has been sanctioned claims that he will not do anything to deserve

A careful search has
another house but none has been found for the
under these circumstances I recommend that a build-
ing estimated to cost Rs 3000 may be sanctioned from
the Local Funds General for the Industrial school.
It may be conveniently constructed in a part of the
High School compound The Municipality of Chamakha
which was approached by the superintendent for a grant-
in-aid promises to pay Rs 1000/- as a building grant
by four annual instalments of Rs 250/- each The
building grant promised by the Municipality will
be paid to the credit of the Local Funds General
when it is received

I have the honour to be
Sir
your most obedient servant

H J Bhabha
